

HerringtonFuels

It's all about comfort.

June 2014

Dear Herrington Fuels Customers,

We are enclosing this year's budget program. As you will see there are **several changes** to the budget. Please take a moment to review this information, if you are interested please sign the agreement and send it back to our office at: Herrington Fuels Inc., 9018 State Route 22, Hillsdale, NY 12529.

► **MONTHLY AUTO PAY [on the first of each month] with your debit or credit card will be the only budget payment option.**◄

We are **NOT automatically renewing** current budget customers.

► **ALL customers will need to complete the attached agreement to participate in this year's budget.**◄

Please note the following modifications:

1. The budget will be figured off of last year's gallons used at the average price per gallon for last year's heating season.
2. The budget is figured for 11 months.
3. ► Budget Price per gallon with **Monthly Auto Pay** will be \$.10 cents off our current Retail Price.
4. We reserve the right to change your budget amount after reviewing your gallons used, the current price per gallon and your running account balance.
5. If you miss **(2)** budget payments you will be taken off the budget. **Your account will be put on "HOLD"**. We will not deliver until the total balance on the account is \$0.00 and you will lose the \$.10 cents per gallon discount.
6. There will be no refunds. Any credit can be used against any future fuel deliveries.
7. Complete all contact information on the attached agreement.
8. ► Budgets will not automatically be renewed. A budget agreement must be filled out by all budget customers.

► ► **SIGN UP BY THE AUGUST 31ST, 2014 DEADLINE...**◄ ◄

We thank you for your business and understanding as we make these revisions to our 2014 - 2015 Budget Program.

Sincerely,

HERRINGTON FUELS INC.
